

Norcross Christian Academy is pleased to offer information concerning our 2009-2010 Academic Year. We are committed to using curriculum that is not only challenging academically but also spiritually uplifting. We place a focus on character building. High-quality materials are provided in order to enhance your child's learning experience. A hands-on approach is very important at this age.

Literature/Vocabulary/Writing.....

Literature/Reading Success

We will discover an author and use activities that help to make the books come to life. Focus is on fluency and reading comprehension.

Handwriting without Tears

Manuscript
A kid friendly curriculum using manipulatives to aid in handwriting.

Journal Writing

Journal Writing is a part of their weekly schedule, giving the learner time to reflect on his/her learning experience.
